Pure O Water

Website Redesign + Local SEO — Launch Bundle Proposal

Prepared for: **Joseph**
Date: April 2025
Valid Until: May 31, 2025

Restore
Get the order form back online so new customers can sign up 24/7 — and stop the revenue leak.

Rebuild
A modern, professional website that turns visitors into paying customers — built to last.

Expand
Rank on Google in surrounding cities with targeted local SEO pages — no ads needed.

PHASE 1 Website Redesign & Order Form

Homepage & Site
- Full modern redesign — mobile-first, fast, professional
- Hero section with "Start My Delivery" CTA above the fold
- Purified vs. Alkaline product showcase with feature comparison
- Zip code service-area checker — instant delivery confirmation
- Trust signals, testimonials, Google Reviews integration
- 4-step How It Works section
- "First Delivery Free" promo banner for new sign-ups
- Supporting pages: Products, About, Offers, FAQ, Contact

Online Order Form
- Multi-step form: contact info → water type → quantity → schedule
- Auto confirmation email to customer + notification to Joseph
- All submissions stored securely in database
- Fully mobile-optimized

Admin Dashboard
- Secure login for Joseph only
- View, filter, and manage all orders by date, city, or status
- Mark orders confirmed or fulfilled — export to CSV

Technical Setup
- Built on Next.js — fast, SEO-ready framework
- Hosting, SSL, Google Analytics 4, Search Console
- Local business schema markup, sitemap, robots.txt
- Full QA — cross-browser + iOS/Android testing

PHASE 2 Local SEO Landing Pages

City Landing Pages (6)
- Water Delivery in Oxnard, CA
- Water Delivery in Ventura, CA
- Water Delivery in Santa Clarita, CA
- Water Delivery in Palmdale & Lancaster (Antelope Valley)
- Water Delivery in Thousand Oaks, CA
- Water Delivery in Simi Valley, CA

Each page: locally-written copy, service area map, order form CTA.

Customer Type Pages (4)
- Office Water Delivery
- Restaurant Water Delivery
- Home / Residential Water Delivery
- Gym & Fitness Studio Water Delivery

Google Business Optimization
- Complete and optimize Google Business Profile listing
- Add service areas, hours, photos, and product descriptions
- Automated SMS/email review request after each delivery
- Weekly posting strategy to signal active business to Google
- Internal linking across all pages for maximum SEO authority

Investment	Cost
Phase 1 — Website + Order Form	$3,500 – $4,500
Phase 2 — Local SEO Pages	$1,500 – $2,500
